Portland Yacht Club is located at the north end of North Portland Harbor south of Hayden and Tomahawk islands about 104 NM from the mouth of the Columbia River (see enclosed chart).

The Portland Yacht Club clubhouse is open daily, 0800 to 2000. The office is staffed weekdays 0900 to 1700. Lunch is served Saturdays 1130 to 1330. The bar is open every Friday 1500 to 2000. Cookouts/BBQs are scheduled about every other Friday during summer months, less frequently during winter months. See “Calendar” on our web site for exact dates. Guests are welcome to attend these events and most scheduled special events. Dress is generally casual.

Reciprocal moorage is provided along the head walk between the finger docks and vacated open slips. Slips have power or water but head walk moorings do not. Moorage is available on a first come, first served basis; no reservations accepted. Guests are welcome to stay free for 3 consecutive nights. There is a \$10 per boat fee thereafter. Showers, phone and ice are available at the clubhouse. Garbage dumpsters are positioned at the head of each ramp. **Fuel is available to overnight guests from non-Columbia River clubs.**

There is a pumpout station along the head walk behind boat house row “M”.

Sells Marine, a full-service marine repair facility, is on-site at the end of “H” dock. Their dry dock can accommodate vessels to 55' and 50 tons. (503) 285-3838.
