MEMBERSHIP AGREEMENT

Upon acceptance of my Membership Application by the Board of Trustees, I agree to abide by Portland Yacht Club Bylaws and Rules.

I understand that my acceptance as a Member of Portland Yacht Club does not guarantee moorage for my boat. Assignment of a slip must comply with the Moorage Rules pertinent to my Membership Category, payment of the Initiation Fee, and the availability of a moorage space appropriate for the type and size of my vessel.

I am advised that the Board of Trustees has determined an Initiation Fee Schedule and that the amount of this fee is determined by the category of membership and the age of the applicant.

I have been instructed that a personal check, payable to **PORTLAND YACHT CLUB**, for the full amount of the indicated membership fee must accompany this completed application. Rejoins are subject to three month past dues to be reinstated. Incomplete applications will not be considered.

I have read and understand the Membership Agreement as well as that Section of the PYC Bylaws that pertain to the rights and privileges pertinent to the category of membership I seek. In so signing, I acknowledge my acceptance of the aforementioned conditions.
